ARIZONA ATTORNEY GENERAL

Sheep Sanitary Commission
Capitol Building Annex
Phoenix, Arizona

Attention: Conrad Hess, Secretary

Gentlemen:

I have before me your letter of October 8, 1937, requesting an opinion from this office as to whether or not the Sheep Sanitary Commission has the authority to levy and collect a per capita tax of 2¢ per head upon all alien sheep brought into the state for pasturing in the area commonly designated as the Arizona Strip (north of the Colorado River).

It is the opinion of this office that the Sheep Sanitary Commission has no such authority.

Very truly yours,

JOE CONWAY
Attorney General
